Health & Safety is a shared responsibility; therefore it is important that at TSSSA events:

- School representatives are present, supervising their students at the event from start to finish. Ultimately the students are the responsibility of the school, and in the event of an emergency, it will be the responsibility of the school representative to head count their own students.
- School representatives carry a list of participants who are present at the event & also a record of any participant medical conditions.
- Students come prepared in suitable clothing & with sufficient food & water for the activity's duration.
